## LAKESIDE KOLSCH

FLAGSHIP BRAND

**Lakeside Kolsch takes its name from one of Kenora's first neighbourhoods** on famous Lake of the Woods. Spattered with small beaches, boathouses & docks, Lakeside is typical of most marine hamlets built so many years ago. Kenora's waterways have floated everything from raw lumber & birch canoes to wood launches, steamboats & outboard tillers. Lakeside is brewed using old-world techniques which produces a crisp, clean ale characteristic of a lager. It is a delicate & subtle beer with hints of malt & fruit in its nose.
