LAGO MEXICAN STYLE LAGER

In Spanish, Lago means Lake and Cerveza means, well, Cerveza. Lago - a Mexican style lager - is refreshing and light with that little extra cha-cha-cha you'd expect from a craft beer. Inspired by times spent perched at the beach pool bar under the hot sun with a bucket of cold ones, Lago is perfect for sharing with the senioritas and bro-chachos over a plate of tacos. **Best served with sun & tortillas.**
